NPDES TIP OF THE MONTH

Vehicle maintenance tips to help keep the Town's waterways clean

Use a commercial car wash or wash your car on a lawn or other unpaved surface to minimize the amount of soapy water flowing into the storm drain and eventually into the local waters.

Check your car, boat, motorcycle, and other machinery and equipment for leaks and spills. Make repairs as soon as possible. Clean up spilled fluids with an absorbent material like kitty litter or sand. Properly dispose of the absorbent material by placing it into trash containers.

Recycle used oil and other automotive fluids at participating service stations. Don't dump these chemicals down the storm drain or dispose of them in your trash. Contact the Solid Waste

Authority at 967-2700 for information on where to take used oil and other automotive fluids.

Report illegal dumping to the LCS Police Department by calling the non-emergency dispatch center at 964-1114.

Holiday Crime Prevention Tips

- When parking your vehicle to go shopping, remember where you parked it! Always park in a well lit and well traveled area. Do not park in a remote dark area.
- When you return to your vehicle, scan the interior of your car to be sure no one is hiding inside. Check to see if you're being followed.
- Have your keys in hand when approaching your vehicle. You will be ready to unlock the door and will not be delayed by fumbling and looking for your keys.
- When storing items purchased at the stores, place them out of sight. The best place is in a locked trunk.
- Do not leave your purse, wallet, or cellular telephone in plain view.
- Don't resist if someone tries to take any of your belongings. Don't chase someone who robs you, they may have a weapon. Instead call 911.
- Lock your vehicle and put up your windows even while you are driving.
- If you go to an automatic teller machine for cash, check for people around and make sure it is well lit and in a safe location.
- Carry only the credit cards you need and avoid carrying large amounts of cash.
- If you make a purchase with your credit card, be sure to obtain the carbons or see that they are destroyed in front of you.
- Drive defensively. Traffic is heavier during the holidays. Drivers may also have indulged in too
